\_\_\_\_\_ **YES** I wish to sponsor and have enclosed my check for \$325.00.

\_\_\_\_\_ **NO** I am unable to sponsor a team this year, please let another business sponsor my team. (Thank you for responding)

While we make no guarantees, we will make every effort to cooperate with you if you have a preference for team colors, or accept a certain child or coach to be assigned to your team but you should send in your reservation immediately in order to secure it. Please keep in mind that because of the Hogs, Lions, and Wildcats, everyone wants to be red, but there can only be one red team per league. Also, our rules limit the number of kids that can be assigned to a team.
